

GURUKRUPA ENTERPRISE

Since: 2000

Our Product Range

- Silica Quartz Powder
- Epoxy Resin, Hardeners
- Epoxy Pigment
- Epoxy Fiberglass Components
- Mould Release Agent
- Casted 'C' Clamp
- Delta Support Lock
- Heat Shrinkable Sleeve
- Silica Gel Pouch
- Asbestos Sheet
- Valve For Transformers
- Porcelain Bushing
- Transformers Bushing Metal Parts
- DMC Support Insulator And
All types of Insulating Material &
Customised Products

Quality Is Our Business, Quality Is Our Passion

About Us...

Founded in 2000, Gurukrupa Enterprise has grown into a trusted supplier of premium insulating materials for transformers. With over two decades of expertise, we have been a key partner to the electrical and transformer industry, delivering high-performance solutions tailored to specific needs.

Our commitment to quality, precision, and timely delivery has earned us lasting relationships with clients across industries. Understanding the role of insulation in transformer performance, we use the finest raw materials and follow strict quality control measures to ensure durability and safety.

Driven by innovation, we evolve to meet industry advancements, providing customized insulating solutions that enhance reliability. At Gurukrupa Enterprise, we are partners in powering excellence.

Vision

To be a globally recognized leader in high-quality insulating materials, driving innovation and excellence in transformer solutions for a safer and more efficient electrical industry.

Mission

To establish our company as a global hub for insulating materials by delivering quality-driven products, leveraging our values, strategies, and skilled technical team, while ensuring customer satisfaction and strong brand recognition.

Our product range

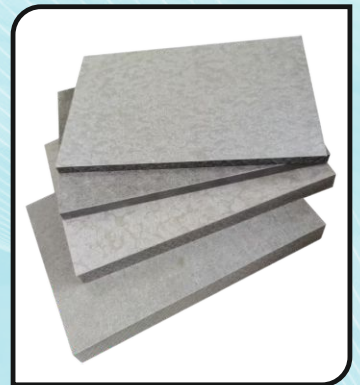

Silica Quartz Powder

Epoxy Pigment

Asbestos Sheet

Casted 'C' Clamp

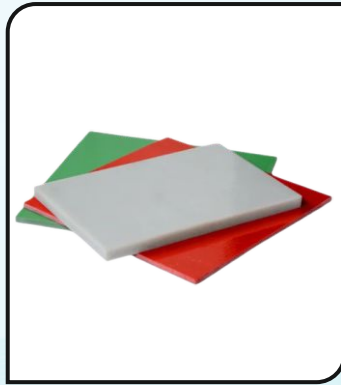

Valve For Transformers

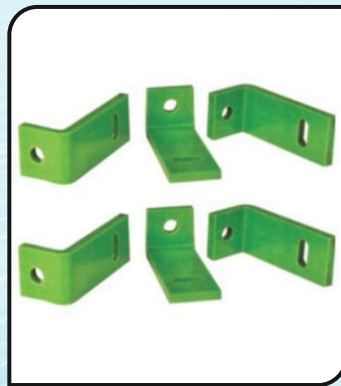

Heat Shrinkable Sleeve

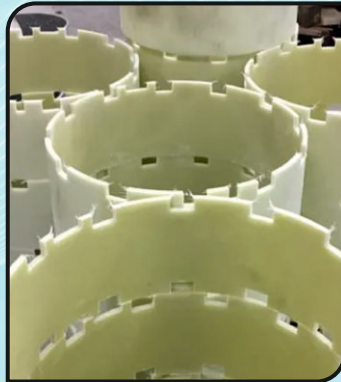

Fiberglass Sheet

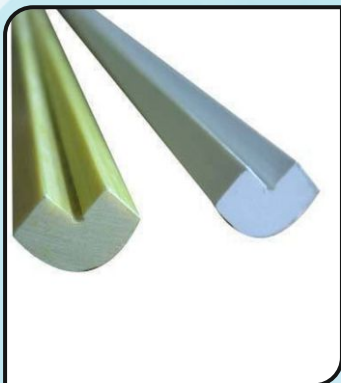

Fiber Glass Sheet Components

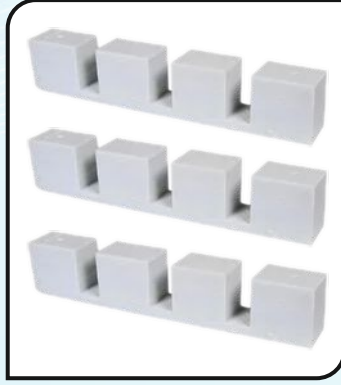

Fiber Glass Cylinder/filament Winding Products

Pultruded Sections

Fiber Glass Blocks

Fiber Glass Fastner & Washer

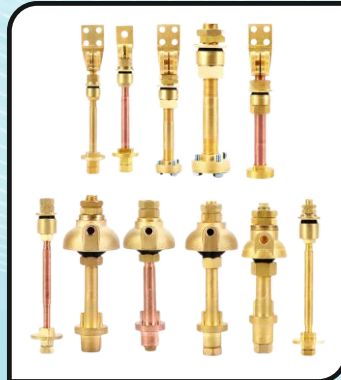

Porcelain Bushing

DMC Support Insulator

Transformers Bushing Metal Parts

Customized Lugs
